A SIMPLE SYSTEM for SUCCESS

- Share Product
- Build Team
- Earn Income

Turn an expense into an income...

Why our system works

It is Simple

RESULTS DRIVEN

- Test Drive Products
- Group Presentations

INTERNET DRIVEN

- Order on-line
- Ship direct to client

CONSIDER

- Successful Global Systems
- Internet Sales are booming
- All products are consumable

Success looks like duplication...

Every Company is built on time leverage

CEO leverages off of the Vice Presidents

Vice Presidents leverage off of Middle Management

Middle Management leverage off of the employees

BUT

Why don't the employees get to benefit from leverage?

In Arbonne EVERYONE has the opportunity to benefit from time leverage

Time Leverage through Building a Distribution System

\$10,000

**8 hours
x 1 person
8 hours
earning power**

\$100,000

**8 hours
x 10 people
80 hours
earning power**

Time Leverage through Redirected Spending

You share Arbonne with 5 people

$$1 \times 5 = 5$$

They each tell 5 friends

$$5 \times 5 = 25$$

And those people tell 5 friends

$$25 \times 5 = 125$$

And then they tell their 5 friends

$$125 \times 5 = 625$$

$$\underline{\hspace{1.5cm}} \\ \text{TOTAL} = 781$$

That's a team of 781 people redirecting their dollars!

$781 \times \$150 = \$117,150$ **MONTHLY TEAM SALES**
